**REPORT ON PREVIOUS MEETING**

***Innovason Mixing Desk at the Theatre in Basel***

Thursday, 30<sup>th</sup> of January 2003, 17h30 – 20h00 at the Theatre of Basel, Basel

**SPEAKERS:** Hervé De Caro, Innovason  
Robert Hermann, Basel Theatre

**REPORTER:** Joël Godel

**LANGUAGE:** English, German

The first 2003 Swiss AES meeting has welcome more than 30 participants at the Basel Theatre.

After a short introduction given by Joël Godel, Hervé De Caro from InnovaSon explained the use and concept of Innovason mixers, and talked about some developments in progress.

Robert Hermann, from the Basel Theatre, then gave a presentation of the theatre and explained concept and set-up of the sound reinforcement system (with surround sound). After a quick look at the house mixing desk, Robert Hermann gave some explanations to the audience about the use of InnovaSon mixing desk inside the theatre.

After this detailed and very interesting presentation, a demonstration of one of the Innovason mixing desks was made by "pappy". Finally, an aperitif offered by Decibel SA closed this January meeting.
